

Did the Blackwell Municipal Authority violate the Oklahoma Open Meetings Act by not posting the time on there Regular Schedule Meetings Agenda?

The Blackwell Municipal Authority did not post the time of their regular schedule meetings during the year of 2007. The Blackwell Municipal Authority regular meetings follow the regular meetings of the Blackwell City Commission. If a citizen did not wish to attend the Blackwell City Commissioner meeting, but did want to attend the Blackwell Municipal Authority meeting, they would not know exactly when the meeting was to be called to order.

The agendas do say, "Following Commission Meeting", but do not list the time for the Commission Meeting. The information is hard to decipher on its own without viewing the agenda of the Blackwell Commission meeting.

Submitted this day, December 2, 2008.
